WIDE OPEN THERE.

(The Labor Union of Chicago have purchased a Cemetery where only members of the Union may be buried.—*News Item*)

All his life in a Union shop
He'd daily earned his bread;
They buried him in a Union grave
When the Union man was dead.

He had a Union doctor,
And he had a Union nurse;
He had a Union coffin,
And he had a Union hearse.

They put him in a Union grave
When he was good and dead;
They put a Union monument
Just above his head.

And then he went to heaven,
But to stay he didn't care;
He kicked because he said that some
Non-Union men were there.

He went down to the other place,
And there produced his card;
Then Satan threw an earnest face
And studied good and hard.

And then he laughed, his hands did rub
Till he thought he'd never stop.
"Lord bless your soul," said Beelzebub,
"Why, this is an Open Shop!"

A HERMIT NATION.

Korea has been called a Hermit Nation, because it refused any communication with the outside world. A city without long distance telephone service is practically a Hermit City. There can be no Greater Maysville without telephone connections with all of the leading cities of the country. When will Maysville wake up?

THOMAS—SMITH.

Mr. J. Barton Thomas of Dayton, O., and Miss Nettie B. Smith of this city were married in Covington yesterday.

While the announcement of their marriage will come as a surprise to their friends, yet it was not altogether unexpected, as they have been sweethearts for a long time.

The bride is petite, pretty and vivacious, and is a great favorite with her circle of friends. She is the only daughter of Street Commissioner and Mrs. Bell T. Smith of Sixth street.

The groom is a native of this city and is a young man of worth and exemplary habits. THE LEDGER joins with their many friends in extending congratulations.

Beautiful Beechwood.

Notwithstanding the very cool weather, a good sized crowd attended the opening of "Beautiful Beechwood" last evening, and the appearance of grounds occasioned much favorable comment. The merry-go-round and the slippery slide were all the go, but the mecca of the crowd was the vandeville show, which seemed to meet the approval of the audience, although things did not run as smooth as was expected. Same will be repeated tonight, and a much better show is promised. The Lamonts do a very clever singing and banjo act, the lady having a particularly good voice. Madeline Diston's songs went very good, but the audience wanted to see their old friends, "Seeker, Wilkes and Company," and they were greeted by a hearty round of applause on their appearance. "Low" is still the same funny fellow as of old, and they have gotten together a very clever act, which ends with a "Zulu finish" that sends everybody home in a good humor. If you want to spend an enjoyable hour or so, go to Beechwood tonight.

DEEDS, NOT WORDS.

Maysville People Have Absolute Proof of Deeds at Home.

It's not words, but deeds that prove true merit.

The deeds of Doan's Kidney Pills, For Maysville kidney sufferers, Have made their local reputation. Proof lies in the testimony of Maysville people who have been cured to stay cured.

John Wallingford, living at the corner of Commerce and East Second streets, Maysville, Ky., says:

"I first procured Doan's Kidney Pills in 1890 at J. J. Wood & Son's Drugstore, and they stopped an attack of backache, one of many which had annoyed me for some time. My wife at that time gave for publication in our local papers a statement telling of the great benefit I had derived from Doan's Kidney Pills, and now, some five years later, I can say that the cure then effected has been complete and permanent. My back and kidneys have never given me the least cause for complaint. Mrs. Wallingford also appreciated the value of Doan's Kidney Pills from personal experience with them. She suffered most acutely with backache, especially at night, and Doan's Kidney Pills promptly and thoroughly cured her."

The Postmaster General has under consideration the suggestion to place the likeness of John Paul Jones on one of the next series of United States postage stamps. The suggestion was made to Mr. Cortelyou by a naval officer, who stated the fact that the United States Navy, whose achievements present an unbroken line of victories, had had but scant recognition at the hands of the Postoffice Department. The likenesses of famous men have been placed upon postage stamps, but up to 1902, only one representative of the Navy had ever been recognized for a place upon the United States postage stamp, that one being Commodore Perry of Lake Erie fame, and he thought that it would be most appropriate at this time to honor John Paul Jones.

The funeral of Mrs. Mattie McCarahan Trilly, sister of Mrs. J. P. Nash, was largely attended at Ebenezer Church yesterday. A very large crowd of her friends attended from her former home, Manchester, and her Minister, the Pastor of the Presbyterian Church, said no lady or sister had more friends than she, and that she was a noble Christian. The friends of her childhood days of Cottageville turned out very large. The floral offerings were unusually elegant.

OF RIMS AND SPOKES,
OF BUGGY TOPS,
OF PAINTED GEARS AND SPRINGS.

The time is now opportune and the place is here. Come in and let us show you how the foremost manufacturers of vehicles have so cleverly combined rim, spoke, top, gear and spring as to turn out a job that is as near perfection as can be made. If you are thinking of buying you cannot afford to overlook our repository. We are always glad to see you, and shall take pleasure to explain all the merits of the vehicles to you, that you may not buy with your eyes closed. We cannot afford to "do" you, as we expect to stay in business in Maysville the rest of our days, and therefore we cannot afford to lose one customer. Come in, and we will guarantee you a fair and square deal. Yours for "Greater Maysville."

RUNNING SORES COVERED LIMBS

Little Girl's Obstinate Case of Eczema—Instantaneous Relief By Cuticura—Little Boy's Hands and Arms Also Were a Mass of Torturing Sores—Grateful Mother Says:

"CUTICURA REMEDIES A HOUSEHOLD STANDBY"

"In reply to your letter I write you my experience, and you are privileged to use it as you see fit. Last year, after having my little girl treated by a very prominent physician for an obstinate case of eczema, I resorted to the Cuticura Remedies, and was so well pleased with the almost instantaneous relief afforded that we discarded the physician's prescription and relied entirely on the Cuticura Soap, Cuticura Ointment, and Cuticura Pills. When we commenced with the Cuticura Remedies her feet and limbs were covered with running sores. In about six weeks we had her completely well, and there has been no recurrence of the trouble.

"In July of this year a little boy in our family poisoned his hands and arms with poison oak, and in twenty-four hours his hands and arms were a mass of torturing sores. We used only the Cuticura Remedies, washing his hands and arms with the Cuticura Soap, and anointed them with the Cuticura Ointment, and then gave him the Cuticura Resinol. In about three weeks his hands and arms healed up; so we have lots of cause for feeling grateful for the Cuticura Remedies. We find that the Cuticura Remedies are a valuable household standby, living as we do twelve miles from a doctor, and where it costs from twenty to twenty-five dollars to come up on the mountain. Respectfully, Mrs. Lizzie Vincent Thomas, Fairmount, Walden's Ridge, Tenn., Oct. 13, 1905."

Complete External and Internal Treatment for Every Human, from Pimples to Scrofula, from Infancy to Age, consisting of Cuticura Soap, 25c; Ointment, 50c; Resinol, 50c; and Pills, 10c per box, or 50c per box of 40, may be had of all druggists. A single set often cures the most distressing cases when all else fails. Postage Free. "How to Cure Torturing, Disfiguring Humors," and "The Great Skin Book."
